Stunning New Courtyard Addition

Visitors to our school will be surprised to see a new courtyard in front of the building that was planned and developed by our Horticulture program students and instructor Ms. Huth.

The Lampus Company, of Springdale, PA, has donated materials, (including pavers and interlocking blocks), as well as time to provide training and assist with installation. Lampus employee Ken Lehnardt, (a former CWCTC Masonry student), provided training to help students earn industry certification. In preparation for the project, former student Bud Trump, (of Trump Landscaping), donated his time and equipment to get the area level.

Paint the Plow 2018

Students from Commercial & Advertising Art; Painting, Restoration & Design; and Automotive Collision teamed up to prepare and recently completed work on this year's submission for PA DOT's Paint the Plow Contest. The winning design was created by Caitlin Boice of Hempfield. *511 PA is an announcement system for all PA DOT and PA Turnpike advisories. The plow was picked up on October 25th and will be housed at the Youngwood garage. We certainly hope that it is not put into service anytime soon, but when it does, it will be beautiful!

Women in Manufacturing Day

On Friday, October 19th, Mrs. Crist and Mrs. Richards accompanied 15 students to Westmoreland College's Advanced Technology Center for the Annual Women in Manufacturing Day. Students participated in a panel discussion and then spent time visiting three of 10 different stations before being provided with lunch. This is the fifth straight year we've sent young ladies from CWCTC to attend this awesome event that highlights and promotes non-traditional careers.

The Central Westmoreland Career and Technology Center does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities and provides equal access to the Boy Scouts and other designated youth groups.

Inquiries may be directed to the Administrative Director, Title IX Coordinator, or the Section 504 Coordinator at 240 Arona Road, New Stanton, PA 15672, belwood@cwctc.org or 724.925.3532 X1306.
